

## Faculty Use of Technology Survey 2010

1 Are you a part-time or a full-time faculty member?

- Part-time  
 Full-time

2 Please select your division or assignment area from the drop down menu.

3 For each technology that you used in at least one of your classrooms this semester, rate its reliability based on the number of technical problems you have experienced. If you did not use the technology, leave it blank and do not select a rating.

	1 No problems	2 A few problems	3 Frequent problems
Classroom Performance System ("Clickers")	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Computer	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Data Projector	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
DVD	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Electronic White Board (SMART Board)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6 This semester, did you request any of the following portable technologies from the Computer Services work order system? If you did not request any, select "None."

- None
- Data Projector
- DVD Player
- Elmo
- Laptop / Notebook Computer
- TV
- VCR

7 If you were scheduled to teach in a classroom equipped with student computers, please indicate how frequently you had students utilize those computers. Otherwise skip this question.

- All or most class sessions

- Occasionally
- Never

8 If you do not regularly use computer aided technology to teach, what do you perceive are the barriers to your use? Select all that apply.

- Lack of training opportunity on technologies I'm interested in
- Lack of time to learn a new technology
- I don't believe efforts will lead to increased student success
- When I've tried to use technology it has been unreliable
- None - I regularly use technology in my teaching

9 Please indicate your satisfaction with, or the availability of, the following office technologies.

	1	2	3	4	5	6	7

17 The Technology Committee is considering the next step to take towards centralized funding for technology. What technologies would you like to see centrally funded and managed so that they are no longer a burden/responsibility of individual divisions/departments? *(Select one or more options)*

- Classroom data projectors
- Printers and copiers
- Software licensing
- Other classroom multimedia technology (ELMOs, overhead projectors, VCRs, etc.)

---

18 Please elaborate on any of your above answers or make any comments regarding technology that you feel were not covered by the above questions. You might consider including responses to the following questions:

- Do you have any specific technologies or software applications that you are interested in exploring?
- Are there any computer hardware or software applications you would like to use in your classroom or office, but they are not available?
- Are there specific training opportunities that you would like to see added for technology that is commonly available on campus (e.g. Blackboard, Impatica, Podcasting, CPS, etc.)?

---

19 Please let us know approximately how long this survey took you to complete.

- Less than 5 minutes
-

- 5 to 10 minutes
- More than 10 minutes
