Dear [REDACTED],

Welcome to Cuesta College! The Financial Aid Office has received your Free Application for Federal Student Aid (FAFSA) for the 2011-2012 aid year. In order for us to continue our review process and to make an award determination, it is important for you to do the following:

1. Complete a Cuesta College Admissions Application. Use the 'Apply' link from the Cuesta homepage <http://www.cuesta.edu/>. Your Cuesta College email account is established when you apply for Admissions. Continuing students do NOT need to reapply!
2. Students requesting Federal Financial Aid must be enrolled in an eligible program to receive financial aid funds. You may view a list of financial aid eligible majors here <http://academic.cuesta.edu/admrreg/faeligprog.pdf>.
3. Submit and satisfy all outstanding financial aid documents and requirements within two weeks of the date of this email. View your requirements by logging into your myCuesta Financial Aid, Self Service Account. The Financial Aid Checklist is a tool that can help you navigate to your myCuesta Self Service Account! Click here to view the Financial Aid Check List - [http://academic.cuesta.edu/finaid/forms/fa\\_checklist.pdf](http://academic.cuesta.edu/finaid/forms/fa_checklist.pdf).
4. Once all documents have been submitted your file is considered complete and the file review process will begin. Additional documents may be requested. Any changes that are made to your FAFSA data can result in a status change. Future correspondence will be delivered through your myCuesta portal and personal Cuesta College email account. It is important that you update your address and phone number on the FAFSA and with Admissions. It is important that you check your Financial Aid Status frequently.
